HONORONG, SEPTEMBER 16TH, 1876.

WHATEVER may be the ultimate issue of the negotiations between His Excellency LI grasps the fact that the control of the public favour of peace. The diplomatic banquet their rights and liberties, without being aniless than seven foreign Ministers, and not at this matter until our and is accomplished. the proceedings. The Viceroy, in his apport, years must probably clapse before Japan wil after gracefully thanking his guests for the enjoy the advantages of a representative asthe following mellifluous phrases :- Hore, at as the above are widely disseminated and the port of Yenthi, beautiful scenery delights discussed the ground will be well prepared the eye and cool breezes give health to the for the growth of freedom. The fact of body; it is fitting, therefore, that our minds having their failings pointed out to them will of their power and try him another way. should be in harmony with the beauties of not at all hinder the nation in its progress. Nature, cultivating friendship and sincerity On the contrary, if the Japanese would only as being the noblest traits of human cha- take the advice of the Yoyoshadan, their racter. And applying the same principle advance would be surer if apparently rather to our official duties, a sincerely hope slower. This is what the Yoyoshadan says: their two bests containing night soil to lie that the nations here represented may _ Our people are in general enterprising slong side the wharf all day. always dwell in peace and friendship and forbearing, but they are careless. If we with each other, like brothers living look to the condition of the country, we find together; for an ancient sage of China the officials trying to carry out reforms, which has said that all within the four seas are are indeed doubtless necessary to the imdwell together in unity," and we are glad to relation to its financial condition: the hear a Chinese official acknowledging the larmers are wholly absorbed by the care fact. It is satisfactory, also, to hear of so of the work of "the year, without

Representatives chin-chinned so amicably at to get it done out of hand in the shortest Ohefoo that therefore the difficulties between possible space of time; the students fix their The prisoner denied the charge. The case the London Mission and the owner of the pro- Hydrabad is stronger than it ever was; its sway Great Britain and China are in a filir way over ou the top of the ladder of learning, but for settlement. They may be, and we pay no regard to the steps by which alone it and to be exposed in the stocks at the whar! Foochous it will be interesting to know what Comovin, acting up my master's throne and a of Edinburgh, trust they are, but the festivities at oan be reached; and superficial externals are Chefoo should not be regarded as an index arrived at while substantial reality is diseither way. KESHEN, the Chinese Commist regarded. For this reason our people have sioner, entertained Captain ELLIOT near Canton, in most hospitable though different fashion at their calabrated conference just before the breaking out of hostilities in 1841 and expressions of mutual good will were exchanged between the two Representatives. The Commissioner did not, however, represent the feelings of the Chinese Govern. recall by the Emperor TAOU-KWANG shortly the very best part of it will bear no afterwards; Li Hung-chang was probably comparison with Europe: The prevailing no more the mouthpiece of his Government detect among orientals is their want of when speaking at Chefoo. On that occasion energy and perseverance, and so long as between himself and Sir Tromas Wade. the whole average mind of the European is Whilst believing that a peaceful settlement higher than ours. Now we trust that our diplomatic banquet furnish no exception reply to the reprosches now justify made the proceedings to show that any advance young men." It is to be hoped the advice has been made in the negotiations. How -which is really sonsible-may be widely long this state of suspense is to last it would adopted. be hard to say, but the sooner it is ended the better it will be for trade throughout

Among the signs of advancement noticeable in Japan not the least is the rapid progress made by the native Press of that country. some of the papers have a considerable smack of the Press, taken as a whole, must be vast for good. The readiness, too, with which the conductors face the danger of Government prosecution savours slightly of heroism. A writer vigorously attacks what he considers mismanagement or abuse on the part he also is advanced to the purlieus of the gaol. And so the procession goes on. This oppression itself furnishes a subject of attack for the Press. Thus, one paper, speaksubversion involves, not danger, but safety, to the country. Regarded from the point of necessary to walk the length of three or four view of the national peace and safety, it must before one can reach or leave the ourseway. be said that although the Somo Zasshi has been held to have violated the Press-laws, all these circumstances it cannot be urged that over the translations from the native journals notice articles on such subjects as represen-San Francisco Mr. L. P. Fisher, 21, Merchants' tative institutions, national failings, previncial government, &c. These are, no doubt widely perused and cannot fail to exercise a great crudities which cannotescape the observation CO., government the tendency is unmistakeably in he right direction. The Tekka Shinbun and gives advice for its attainment equivalent to that given by Cobben as to the means of effecting reforms-"agitate! agitate! " It says :-- "The institution of a Representative Assembly cannot be brought about by demanding it argently one day and letting people must demand it incessantly, and even when or if they obtain it, they must not imagine that it will attain to its full power that of Louis XIV. of France, whose temper was extremely despotic, the liberties of the

the whole question drop to-morrow. The in a moment. Had we a ruling power like people would only be attained after considerable lapse of time. We are differently situated, however. Our Government is of mild nature and treats the people with marked benevolence. When the Governpeople is passionate; but, situated as we ar it takes a long time to arouse men to the establishment of a Representative Assembly Then follows a little dabbling in English constitutional history, in which, while the writer is sometimes rather erratic, he firmly Hung-chang and Sir Thomas Wade, at purse has been the foundation of the power Chefoo, there would seem to be little doubt of the House of Commons. The article then that the Viceroy himself is personally in proceeds:- "Now, should our people urgo there by him would certainly mated by a real hatred of oppression, or being seem to favour such a supposition, and determined to obtain the control of the public purse, it is very doubtful whother they will with expressions of fraternal ever obtain them. The duty of writers should good will towards all his foreign visitors. The not be confined to entertaining their readers. in the history of Chinese foreign relations, diversified subjects, and stick tightly to this and if it coes nothing more it at least denotes question of a House of Commons, for all that a considerable stride in advance has expediation of obtaining our liberties without

brothers." It is good for "brethren to provement of the country, but have no due day on her trip to Hongkong.

made an excellent imitation of civilization; but it has no foundation, and therefore no bouse to look for a friend, and he being out stability, and anyone who will give attentive

consideration to the whole question will see that every man born in this country is subject to this want of thoroughness and stability. So again with the grand divisions. ment correctly, as was proved by his speedy of the world, Asia is better than Africa, but mah-tee. he spoke for himself, and he may have been they are deficient in these qualities, they will perfectly sincere in what he said, even never equal the European races. Men like though he was at the time doubtful Convinue the navigator, and Newton the whether any agreement could be come to philosopher, are of course exceptional; but of the difficulty will be arrived at eventually, countrymon will not regard-the-failings of we see no pledge for it in the Viceroy's govied the orientals—the want of energy and perspeech at the late banquet. After dinner severaucs-as excuses for the errors to which speeches are never to be taken too seriously, these failings lead, but will try to acquire and the felicitations indulged at the Chefoe | these qualities. In this manner only can we to the rule. There is, in fact, nothing in us. We give this advice earnestly to all

Extracts.

"FRAGMENT IN IMITATION OF WORDSWORTE "There is a river clear and fair. "Tis neither broad nor narrow It winds a little here and there-It winds about like any hare : And then it takes as sirnight a course As on the turnpike road a horse; Or brough the air an arrow." The trees that grow upon the shore, Have grown a hundred years or more So long there is no knowing

Old Daniel Dobson does not know When first those trees began to grow ; But still they grew, and grew, and grees, As if they'd nothing else to do. But ever to be growing." -Catharine Maria Fanshawe. BLISS OF THE DEAD.

I know then hast gone to the home of thy rest. Then why should my soul be to sad? know then hast gone where the weary are blest. And the mourner looks up and is glad! here Lave has put off, in the land of its birth, The slains it had gather'd in this. And Hope, the sweet-singer that gladden'd the earth Lies seleep on the bosow of Bliss.

I know thou hast gone where thy forehead is steer'd With the beauty that dwell in thy soul! Where the light of the leveliness cannot be marr'd, Nor the heart be flung back from its goal. know then hast dronk of the Lethe that flows Through a land where they do not forget. That sheds over memory only repose,

THE ART OF HOLIDAY-MAKING.

It is customary to accept the death-bed members of Parliament or town councillors at the beginning, and in many cases there is perjure himself by false speaking, and his speak their minds, regardless of what is they set out for it. There are some atrong cusation, who have afterwards been proved sneered at, and otherwise maltreated. men, which will at once bear strong exercise, marked that innocent persons often confess One result of the readiness which men though for months they have not been to having committed crimes sometimes for poobing and enubbing system a stupid leader cautiously. For such to devote a holiday to one night, a girl was attacked by three men, who has at command a body of docile fol- it, is most injurious, if not actually dangerous. Who had the appearance of being brewers aplowers may keep at bay the most ardent of One caution, then, to the brain-workers prentices. On her death-bed she accused a reformers, and perpetrate the foulest of jobs. during their holidays, is to be sparing of certain man, by name, as one of ber assassins port when he is regarded with hatred and knowledge of the right principles of utilising that they did not so much as know the unthose whom he sees around him are afraid to a negative point of view, we have been remarkable instance was that of a labourer not the heart to do anything which might briefly what they should do; or, in other approved. One day loud words were heard endanger them, though a whole host would be words, lay down out or two sound principles, in the room where they lived. After a quarrel benefited thereby. It would be well if prople as we believe, of holiday-making for our between father and daughter, the former left by men who have stood alone and outraged the first element in rest is change of scene, neighbours to break open the door, when the public opinion, or, rather, it would be more Without this an overworked man can girl was found writhing in agony on the correct to say, ontraged that conglomeration seldom get rest. A holiday-at-least at this floor, a bloody knife lying by her side. of predicess, meanness, and cowardice which time of year-implies it. Few men can take. When asked it her father had done the deed, goes by the name of public opinion. Now-a- holiday, in their own houses, gardens, or she noticed faintly, and immediately draw her days there are men craven enough to hide fields. Change of scene, then, taken for last breath, The man was arrested, tried, their own religious belief from the world, granted, let our triends seek rest. "Active" and paid the penalty of the crime. Some and profess adherence to churches with rest will suit some, "passive" rest others, time after, a letter, written by the girl, was which they have no sympathy. This, how- The latter is first countrie or own brother to found in the chimney of the room, stating ever, was not the way with the martyrs of absolute idleness. It includes long nights that she was about to commit suicide, and old, and it can but be productive of dist rests dawdling over meals, lolling in arm- also containing the words, "My cruel father astrous consequences. Compronises may be chairs, and sometimes dozing in them with is the cause of my death." This gave the very well at times, since strife should be some work of light literature in the hand for clug to the latal nesture she had made at the Antipodes avoided when possible, but when compto- mere form's suke, sitting on a sea-beach, or moment of expiring, and clearly proved her Chechnicoddin Ang. 16 mise involves a persistent dallying with a mountain, or by a river side, doing nothing lown guilt and her father's innocence. There Colibria

uperior to the unworthy suspicion with good. It is in some cases really the most which they regard opposition thinkers, a efficacious kind of rest. But there are some thickers happen to be drawn from a class and if they tried to force themselves to take to which little prestige attaches. If all this it, they would soon work themselves into a were done there is reason to believe that the a fever. They have not the gift of doing world would come to be led by the nose, as nothing and enjoying it. It they have brains. A healthy concentration of opinion ing restlessuess. Their rest, then, must might spring up, narrow-minded notions be "active," but the activity must at the might be swept away, and men might learn same time be moderate in all respects, if hope to do under our present system, which have constant change and umusement und seems to involve a hatred of anything which employment, and the simpler these are the is original. No doubt, many of the present better. They must work at their clay, but budges of society might suffer, but that their work must not be too laborious. They while they fancy they are very busy, must really he very idle. They must try to accomplish what is meant by the well-known William Crotch was born in 1775, at Oxymoron "Strenua inertia," which we may Norwich. His father, a carpenter, with no translate an "active idleness," which is very

A STORY ABOUT WORMS. The Allentown (Peun.) Register contains or four hundred yards. No worm is to told him that if he did not go along he wouldshoot him. So, for better or worse, he had be (Mr. Egg) was again pointed at to be shot when he was accusing one of the boys as the cause of his being carried away. Since that time nothing has been heard of Mr. Egg until. shot in the side. Since that time these worms

Wm. van Name Aug. 15 Watts cyince to sail with the stream is that the accustomed to it; but these are the ex. the sake of notoriety, sometimes to miticate K. world is dominated by shullowness, humbug, ceptions. Middle-aged men, and those still a punishment which they think certain to be La and sheer studidity to a greater extent than turiber down the hill of life, will be well inflicted upon them. As to death-bed ac-Under the pooh- advised to take strong exercise most cusations, we give a case in point. In London, in This has been over and over again proved in strong bodily exertion, lost both body and The man was indicted, convicted, and Sh Parliament, in town councils, and in less in- mind, already below par, receive burt rather executed. Two years afterwards it was disportant bodies. The truth is that it is almost than benefit during a boliday, marred, as it covered that he was wholly innocent, the real | Sy impossible for a would-be refermer to get sup- often is, from want of thought and want of criminals being apprehended, and confessing T suspicion, and when the bigger proportion of it to suit special cases. Thus far, mainly in fortunate man by sight. A still more be themselves, or are so much in love with advising what holiday makers of a certain who had a daughter who was in love with a their own petty class interests that they have class should not do. Let us now try and put young man of whom father strenuously disremembered that the greatest works which friends in question. What they chiefly the hour, locking the girl in the room. Not Ci have ever been accomplished have been done want is rest-rest to the mind. Of course long after, the sound of growns caused the
